Happy naked New Year!

Nuts' saucy celebration of 2011!

StoreMags - Free Magazines Download in True PDF format

WORDS: FRANK TENNYSON PHOTOS: JIM LINCOLN BODY PAINTING BY NEIL EDNIE

What better way is there to mark the New Year than with a very special message to you, our oh-so lovable and loyal *Nuts* readers?

Waving bye-bye to 2010 and greeting 2011 with a great big juicy kiss, we asked two of our gorgeous girls to come up with a unique way to thank you for all your support during the year.

And guess what? After scant deliberation, naughty nudity was their ingenious solution! So, wearing nothing but a cheeky smile, they quite literally put their bodies on the line to wish you a Happy Hogmanay.

And you know what? Our body-painted pair proved a hit with you lot – can't imagine why!

Celeb New Year's resolutions!

Ready-to-break, brash promises from famous types!

New Year's resolutions are queer old things. We swear blind we'll keep them but they're usually forgotten quicker than an *X Factor* finalist. Here are some year-start promises, aka "lies", from our celeb chums!

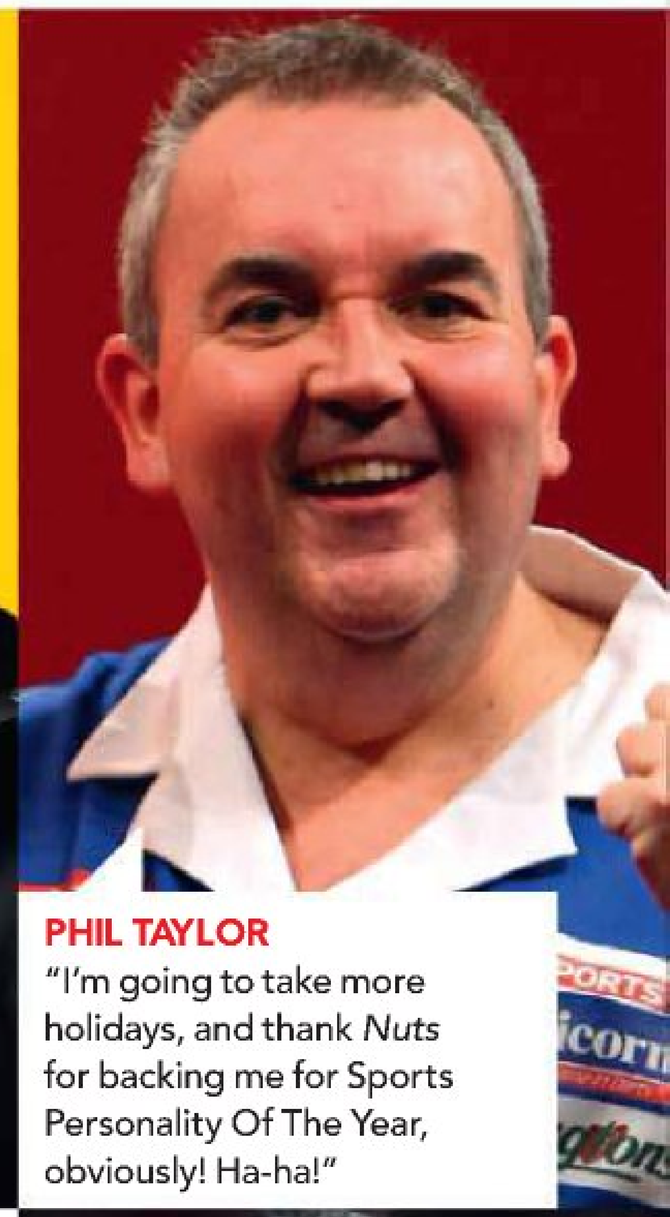

PHOTOS: GETTY, ACTION IMAGES, REX

ROSIE JONES
"I'm going to learn how to cook properly – my current best dish involves putting every item I can find into a frying pan and mushing it all together, but I can hardly serve that at a dinner party!"

IAN HOLLOWAY
"To look after my team, my chickens and my wife – not in that order, of course!"

PHIL TAYLOR
"I'm going to take more holidays, and thank *Nuts* for backing me for Sports Personality Of The Year, obviously! Ha-ha!"

EXAMPLE
"My New Year's resolution is to eat more bananas and sleep with more *Nuts* babes!"

RYAN GIGGS
"Well, I'd like to win more trophies – obviously! I know I don't have many seasons left so every year gets more and more precious. And I ain't getting any younger!"

KAMMY
"I hereby promise not to miss any more sendings-off on live television this year!"

TIM WESTWOOD
"Sleep late, lose weight and have sex on the first date!"

TINCHY STRYDER
"My New Year's resolution is to be on time a bit more! I used to be alright but I got to a stage where I started believing it was cool to be late and now I can't stop!"

CHRIS MOYLES
"My New Year's resolution is to cancel my subscription to *ZOO* magazine!"

DAVID ATTENBOROUGH
"Oh, I never make New Year's resolutions, not for a long time. Why not? Because I'll break them almost as soon as I've made them, that's why!"

EMMA GLOVER
"I'm going to Tweet more topless pictures in as many strange places as possible – in a library and on the tube are two I've got planned. And I'm going to rope my friends in wherever possible as well!"

RUSSELL KANE
"I'm utterly resolved, for the good of myself and my curtains, to cut down from three to two masturbation sessions per day."

LORRAINE KELLY
"My New Year's resolutions are that I'm going to have lots more fun in 2010 – and also learn to speak Spanish!"

Jaguar vs croc!

It's a top-of-the-food-chain, heavyweight clash!

WORDS: PETE CASHMORE
PHOTOS: PATRICK FAGOT/BIOSPHOTO/SPECIALIST STOCK

Blimey, crocodiles aren't having much fun at the moment, are they? Barely a week goes by without one appearing in *Nuts* getting its scaly butt kicked or being denied a fresh meal, and here's yet another one, this time enjoying a playful mauling from a passing jaguar.

Big cat met little caiman croc in a Brazilian river and, sadly for reptile lovers, there could only be one winner – although the French snapper who caught the whole thing on camera probably did pretty well, too.

The message to all you crocodiles is clear enough – just leave it, OK? It's just not worth it!

Two planes get too close for comfort

WORDS: RORY BUCKERIDGE
PHOTOS: BEN WANGE/EXCLUSIVE PIX

This incredible shot was snapped on the approach to San Francisco airport, as two planes came in for an "exciting" parallel landing.

The one-in-a-million pic happened because the 747 (the big, white one) had to return to the airport due to an oil leak and eventual shutdown of the number two engine. It had to stay just behind the United 757 (the smaller, grey one) as wake turbulence would have stuffed the 757's approach. And so photographic history was made.

Uncharted 3: first look!

Indiana Jones-style silliness, in ace PS3-o-vision!

There are few games that exercise the PS3's beefy chipset sufficiently to out-flash the Xbox, but *Uncharted* consistently delivers. And the next one – *Drake's Deception* – already looks prettier than Pinder's tiny nose.

Uncharted 3 is set after a plane crash has left Drake alone in the Arabian desert, with just his trusty AK-47 for company.

New are full stereoscopic 3D, multiplayer (probably) and, from the blurb, "innovations in sand, fire, smoke and water dynamics and effects". It drops on 11 November next year.

DRAKE OF ARABIA
Our man is planning to cross the Rub' al Khali desert in Saudi Arabia – the same one British war hero Lawrence of Arabia famously traversed!

DRAKE'S BACK!

COOL DESERT SETTINGS
Developer Naughty Dog has created an enormous sandpit that utilises all of the PlayStation3's power to make it feel awesomely realistic.

TRAVELLING THE WORLD
This scene is set in a French chateau but, as ever, expect plenty of globetrotting for our man, who even ends up in dear old London this time out!

Confederate C3 X132

The bike of the future's here!

- **When something called the Hellcat is labelled the toughest motorcycle ever made, *Nuts* takes notice!**
- Japanese superbikes may be tech-laden and Italian bikes may be loaded with style, but when it comes to bad-ass two-wheelers, the Yanks take some beating. And this third version of the minimalist Hellcat range is so scary, it's good!
- **Forget chrome or fancy plastic, instead there's bare-naked craftsmanship. While the frame's constructed of chunky two- and three-inch steel, many parts are featherweight – like the full carbon-fibre 3.5in front and 6in back wheels.**
- Named after the US Navy's F6F-3 Hellcat fighters from the Second World War, the bike's engine block, powertrain and fuel tank are made from aircraft-grade 6061 aluminium.
- **Delivering the 2,163cc V-twin's punch is a specially developed five-speed gearbox that transfers 145lb-ft of torque to the rear wheel from low-down rpm via a drag race-style swing-arm pivot powertrain.**
- The bike's powerful enough to pull a train of 1,000 cars!
- **Brembo four-piston calipers and carbon ceramic brakes help the rider stay upright.**
- Confederate hasn't let the official power figures of the Hellcat out of the bag, but previous models have seen over 130bhp and nearly 150mph.
- **Previous Hellcat bikes have commanded a six-figure price tag, with a certain Mr B Pitt being a past customer, but this version promises to be significantly cheaper.**
- From April of 2011, 150 of the C3 X132 bikes will be available, with pre-orders being accepted now. The price: a mere £28,500!

'A propeller sliced my leg wide open!'

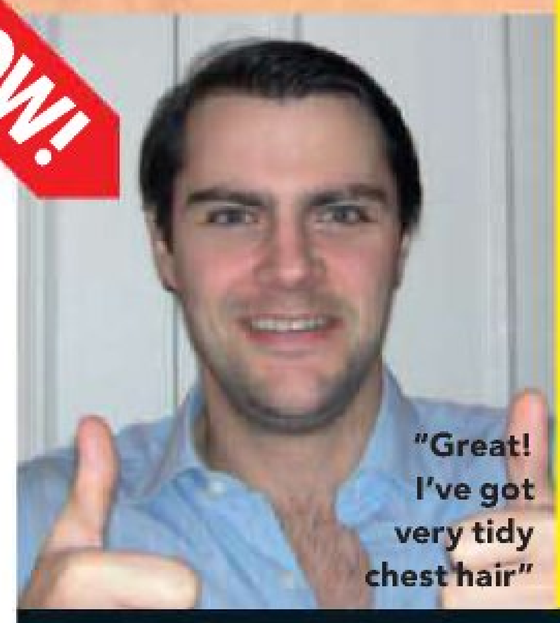

Waterskiing turns deadly for unlucky reader!

The most extreme sport we're into is getting up to find the TV remote, so you won't find us waterskiing any time soon. You won't find financial worker Angus Campbell from London doing it either, since a wayward speedboat propeller left his leg with a hole straight through it!

Angus, 32, tells *Nuts*, "I was waterskiing on the back of a motorboat, and when I'd finished, swam to the back of the boat to climb aboard. I didn't notice the propeller was still spinning until I felt a thump on the back of my calf. I put my hand down into the water and felt a gaping wound!

"There was a hell of a lot of blood, but luckily the adrenaline blocked the pain. When I got to the hospital, the doctor's eyes nearly popped out and they took me straight into surgery.

"I'm nearly fully recovered now, but I don't think I'll be doing any more waterskiing for a long, long time!"

The rapper on knickers, fast cars and Kylie!

Hi Tinie! How are you? [Enthusiastically] Hi mate! I'm OK, thanks for asking.

According to the lyrics in your song *Pass Out*, you've been to Southampton but you've never been to Scunthorpe. Does that annoy people from Scunthorpe? Do you know what? I've probably been everywhere in the world except for Scunthorpe. I don't really know why!

Well, if you do want to go there for a day out, here are a few nearby activities we could try. We could visit Elsham Hall Gardens and Country Park, where they have a butterfly garden and a petting zoo. So we could touch the animals? I think I might have to pass on that!

How about Thornton Abbey, which has England's largest ornate fortified gatehouse and some sort of exhibition? I'm quite an exhibitionist. We could do that. Just as mates!

Or we could go to Barton Clay Pits. Hmm… sounds boring. Do you want to go to Legoland instead? Yeah, let's do it. Legoland. Yay!

Now, Tinie, there aren't many people who can pull off a pair of glasses. Do you go to Specsavers? No, I don't. I go to Cutler and Gross.

Er, OK. What's that? The spectacles shop I go to!

Sounds poncey. Is fashion important in hip-hop? Clearly. If it wasn't important, you wouldn't be talking about it! My look's a balance between street cool and high fashion. For example, I might wear a nice dinner jacket and a Rolex with a pair of Nike Blazers or Air Force 1s. I like to mix and match.

You've been asking your fans on Twitter to help you choose between the Porsche Panamera and the Lamborghini Estoque. Which is winning? I only asked which they *thought* I should buy. I had mates calling me up, saying, "I heard you've got the new Porsche." Even Porsche called me up! I only said, "Which one do you prefer?" I think I prefer the Lambo – I like the shape.

Why don't you get in touch with Lamborghini and ask if they'll give you one for free? Then you could go on *Top Gear* and do Star In A Reasonably Priced Car, but in a Lambo. I'd give Jeremy Clarkson a run for his money!

Have you heard the version of *Pass Out* called *Arse Out* that's doing the rounds? I have indeed. I really like it. The original *Pass Out* was a representation of what our generation likes to do in real life – when we like to go out, how flamboyant people are nowadays. *Arse Out* catches the quieter, chavvier sense of that. Everything they say in the parody is actually true.

We hear female fans like to throw their knickers at you. Do you take them home and try them on? Um, very rarely! I usually chuck them back into the crowd. I'm flattered, though. I was a bit shocked and scared the first time it happened, but now I'm chuffed. More knickers, girls!

You're mates with Kylie. Would you like to marry her? I'm quite happy with being mates, man. She's like my big sister. And that'd be a bit wrong, marrying your big sister, wouldn't it?

Yeah! You're also mates with Prince William. How did that come about? He came to watch me at Radio 1's Big Weekend. He dropped in and said he loves *Pass Out* and *Frisky*. How great's that?

Your album Disc-Overy has sold over 300,000 copies! What's the oddest thing you've "Disc-Overed" about yourself since becoming famous? I've discovered I'm a lot more sensible with money than I thought. I used to be very frivolous. Now, I'm quite watchful. I thought I'd be the last person to be like that.

You look a bit like Morpheus from *The Matrix* on your album cover. Ever wonder if life's for real? I do. There's a song that talks about that on my album called *Illusion*. Funny you should say that.

You also featured recently on Swedish House Mafia's *Miami 2 Ibiza*. That sounds like one hell of a holiday! Yeah, I really wanted people to get an idea of what my life has become, like the time Paris Hilton put me on a private jet to Cannes. *Miami 2 Ibiza* is exactly about that – it's basically a perfect holiday!

Thanks, Tinie! Finally, when you're deciding what to wear in the morning, do you go, "Eeny, meeny, Tinie, mo…" Ha-ha! Only on weekends! ■

New single Invincible *is out on 26 December. Tinie starts his new tour in February*

DO NOT IGNORE FOOTBALLERS' BAD PARKING!

It's just as well these lot are good with a ball – if they had to drive for a living, they'd be counting the pennies!

NAUGHTY BOYS!

DIRK KUYT
To be fair, Dirk was probably aiming to park in a proper space and, as he's often prone to do on the pitch, he missed!

DAVID BECKHAM
"Sorry, Mr Beckham, I have to clamp you." "What if I get you a signed photo of my wife, Victoria?" "Is that a threat?"

SCALLYWAG!

MIKEL ARTETA
Here in England, Mikel, we have a phrase that goes, "You can't park on the yellow lines, you paella-bothering twerp!"

DAVID BENTLEY
Hang your head in shame, Bentley! You're not disabled. To be fair, though, you do spend a lot of time out injured!

It's OK, you're only parking an Aston. On the pavement. On a bend. On double yellow lines! Totally inconspicuous!

SELFISH!

CRISTIANO RONALDO
Quick, Ronnie – divert attention by diving to the floor. Then have your mate shift the Aston to avoid a fine!

WAYNE ROONEY
"What's the matter, Mr Rooney, can't you read? Oh right, sorry. Move your car anyway, if you don't mind!"

MICAH RICHARDS
Man City's stars can afford to pay a fine or two. Which is lucky, as Micah's on double yellows *and* the pavement!■

JAMES KING'S COOLEST NEW MOVIES OF 2011!

The top film critic comments on the big-screen offerings *Nuts* is looking forward to in the year ahead

"James Franco's great! Even as an extreme sports nut trapped in a cave for five days, he's still chilled and charming. After this and *Pineapple Express*, he's officially Hollywood's top stoner!"

127 HOURS *7 January*

Who's in it? James Franco

What's it about? Based on a true story, a rock climber gets his hand trapped between a pair of boulders and faces the choice of death or hacking his arm off with a penknife. It may as well be called *Don't Look: The Movie* – he goes for the knife option!

"We all know what happened the last time the Coen brothers teamed up with Jeff Bridges – The Dude was born. Re-teaming them for a Western is an awesome prospect!"

TRUE GRIT *11 February*

Who's in it? Jeff Bridges, Matt Damon, Josh Brolin

What's it about? After her father is murdered, a 14-year-old girl enlists ageing one-eyed lawman Rooster Cogburn (Bridges) to help her hunt down the murderer, who, rather foolishly, hasn't got a couple of randy chickens tied to his saddle as a distraction.

"Pegg and Frost are always best when they're in the kind of small, odd, cult film that made their name. Bring it on! Watch out for co-star Kristen Wiig in 2011, too – she's gonna be huge!"

PAUL *18 February*

Who's in it? Simon Pegg, Nick Frost, Sigourney Weaver

What's it about? What's the worst thing that can happen on a road trip through America's UFO heartland? That's right, a stranded, bug-eyed Martian jumps into your back seat and turns out to be a bum-numbingly dull cretin. What are the chances?➡

BATTLE: LOS ANGELES *25 March*
Who's in it? Michelle Rodriguez, Aaron Eckhart
What's it about? A platoon of marines (naturally) take on an invading alien force. We have no idea why aliens keep attacking LA, or why the marines are always caught with their camouflage pants down, but we do know it makes great watching!

"Bettany was an angel with a gun in *Legion*, now he's a vamp-hunting vicar – he has an odd niche!"

PRIEST *13 May*
Who's in it? Paul Bettany, Maggie Q, Karl Urban
What's it about? It's not too often you stumble upon a priest who's hard enough to stand toe-to-toe with an army of crazy space vampires, but after his niece is kidnapped by the vamps, Paul Bettany defies his church's orders and hunts them down!

"*Kick-Ass* with chicks as *High School Musical* hottie Vanessa Hudgens finally gets sexy – it had to happen. Zac '*300*' Snyder directs, Jon 'Don Draper' Hamm co-stars. This is gonna be good!"

SUCKER PUNCH *25 March*
Who's in it? Emily Browning, Abbie Cornish, Jamie Chung, Jena Malone, Vanessa Hudgens
What's it about? A girl is sent to a mental asylum and escapes from the pain by inventing an alternate reality full of mini-skirt wearing babes who blow demons to smithereens. Works for us!

THE GREEN HORNET *14 January*
Who's in it? Seth Rogen, Cameron Diaz, Christoph Waltz
What's it about? Canadian funny guy Rogen sticks on a ludicrous green mask and tackles all manner of bad guys as the world's most bumbling, incompetent superhero. It's so funny, you'll need industrial-strength pants to cope. And it's in 3D!

THE HANGOVER 2 *27 May*
Who's in it? Zach Galifianakis, Liam Neeson, Mike Tyson
What's it about? The four bachelors are back and this time around, they're off to Thailand for Stu's wedding. Not a lot is known about the plot yet, but the quartet do stumble into Mike Tyson and ex-US President Bill Clinton. Expect lots of laughs!

"This could be the much-needed non-Bond hit for Daniel Craig (and non-*Indy* hit for Harrison Ford). I think it's set to be the best sci-fi/ Western mash-up since *Back To The Future III*!"

COWBOYS & ALIENS *12 August*
Who's in it? Daniel Craig, Harrison Ford, Olivia Wilde
What's it about? We'd normally stick a tenner on the lads armed with spaceships and lasers to win this scrap. But that's without reckoning on the combined skills of James Bond – with some weird high-tech arm thing – and Han Solo. Bring it on!

THE FIGHTER *4 February*
Who's in it? Mark Wahlberg, Christian Bale, Amy Adams
What's it about? In his prime, Irish-American boxer Mickey Ward was harder than a concrete Rottweiler. And this brilliant true-life tale, with Wahlberg as Ward, captures every hook and haymaker of his pain-addled ring battles. Truly awesome! ➡

JOHNNY MINKLEY'S HOTTEST GAMES OF 2011!

Radio 1's Johnny Minkley picks the top games that are destined to give you intense thumb cramp next year

GEARS OF WAR 3 *December 2011*

"This is definitely going to be the biggest release of next year's Christmas period as it overwhelms the senses with heart-stopping, rollercoaster, dramatic set pieces. The four-player co-op just leaves you absolutely breathless – it's jaw-dropping! Expect some balls-out action that looks absolutely amazing."

BATMAN ARKHAM CITY *Autumn 2011*

"We'd accepted that Batman games are all a bit rubbish, then *Arkham Asylum* came out of nowhere! So it's only natural there's huge excitement about the sequel, which will build on the whole of Arkham City. This is storytelling that's engaging, creative, varied and compelling. And everyone wants to be Batman!"

DEAD SPACE 2 *January 2011*

"The long-awaited sequel takes Isaac Clarke's story forward and has an even bigger focus on action than the original, which, from what I've seen so far, means endless limbs being hacked off and vast monsters projectile-vomiting some acid into people's faces. LITTLE BIG PLANET 2 *January 2011*
"There are almost no limits to what you can do here, as you're essentially building your own games within a game: make storyboards, do dialogue and scripts, make short films and music… anything to do with designing a game. The really exciting thing is, where it goes is up to the users, too!"

KILLZONE 3 *February 2011*
"This is likely to be the first big-budget blockbuster of the year. It's got a daft sci-fi storyline but it's set to be bags of fun and visually, it's a great example of the power of the PS3. Plus, you can use the PlayStation Move to run through the entire game, which adds an entirely new element."

LA NOIRE *Spring 2011*
"This is definitely the game I'm most looking forward to getting my hands on next year. It's a crime thriller set in Hollywood in the '40s and you play a detective solving crimes in a *GTA*-style open world. But what makes it really exciting is the motion-capture tech used on the actors."

DALEY "He's a white kid with the biggest mane of ginger hair you've ever seen, but this lad sings like a Motown legend. He's also the vocalist on the Gorillaz single *Doncamatic*. When you listen to it, you think the singer's this really cool Philadelphia soul man, but he's this ginger kid from the UK. He's incredible!"

WRETCH 32 "Wretch is the most lyrical, intelligent and exciting MC in the UK. His debut single sounds like hip-hop and drum'n'bass having a fight in an alley!"

JAKWOB "A lot of people will already know Jakwob for the remix he did of *Starry Eyed*. He's just a really exciting and fresh dubstep producer."

YASMIN "Yasmin's really beautiful and has a broad-appealing pop sensibility. Some people will know her for singing the chorus of the Devlin single *Runaway*."

JAI PAUL "Jai Paul's been given a bit of support from Radio 1 for his debut single *BTSTU*, so there's quite a big buzz developing around him already." ➡

Plus, it's crammed with hi-tech gadgets. Oh, and it's endorsed by top motoring journalist – ahem – Victoria Beckham!"

It'll have a top speed of around 200mph and have its batteries charged by tiny jet turbines. Whatever that means!"

Engine: 6.8-litre twin turbo V8 **Power:** 1350hp **Max speed:** 275mph **0-60mph:** 2.8 secs **Wallet damage:** £617,000

PORSCHE 911 SPEEDSTER

"Anyone who's ridden a camel will know it's akin to repeatedly cracking yourself in the groin with a cricket bat. Thankfully, the hump on this special edition 911 is a far more enticing prospect and pays tribute to the '50s styling of Porsche's first 356 Speedster. The only sadness is that just 356 (see what they've done there?) of the wide-bodied stars will be made. Boo!"

MCLAREN MP4-12C

"Driving a McLaren roadster is the closest most of us will ever get to being Jenson Button or Lewis Hamilton. Which, given that you need the wages of an F1 driver to afford one of the lightning fast, mid-engined road racers, is slightly ironic. But on the bright side, the carbon-fibre beauty is £1,000 cheaper than a Ferrari 458. Sweet!"

KAMMY'S ONES TO WATCH FOR 2011!

The Nuts legend picks his ultimate five-a-side team of rising Premier League stars

BARRY BANNAN *Aston Villa*

"Barry's passing and dribbling skills have really caught the eye this season. He's even been likened to Lionel Messi. That's probably a bit too far, but he has superb ability and is a big part of a young Villa team that contains a lot of good youngsters."

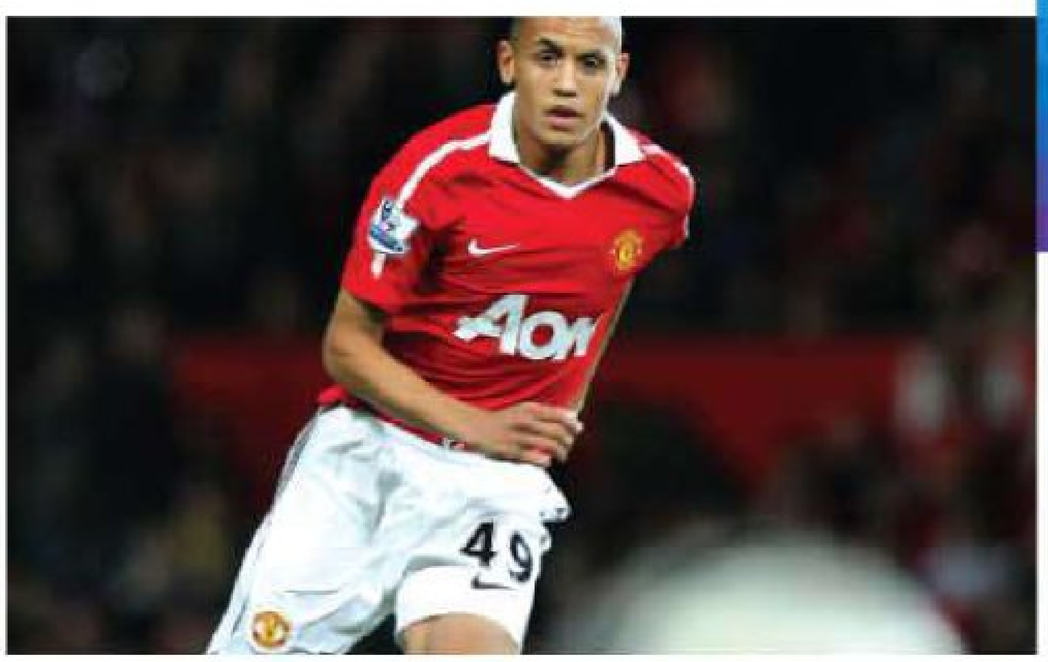

MARTIN KELLY *Liverpool*

"Kelly's the kind of versatile player the new Anfield owners will want to emerge from the academy because he can play right or left back. He'll be putting real pressure on Paul Konchesky, who has struggled at Anfield. Kelly should have a big future ahead!"

JOSH MCEACHRAN *Chelsea*

"The Stamford Bridge faithful will know all about this youngster as he's very comfy on the ball and has real vision. My only worry is that with Michael Essien and John Obi Mikel in his way, Josh might eventually have to move to secure first-team football!"

RAVEL MORRISON *Man United*

"He's only 17 but Ravel has been touted as the next big English talent. A midfield player with an eye for goal, he has incredible skill and Sir Alex Ferguson has already given him a chance in the first team. I can see him going out on loan for a while, though!"

SEAMUS COLEMAN *Everton*

"Already a regular for Everton, Seamus can play right-back or right midfield, and looks comfy in the Premier League. David Moyes will always give talented youngsters a chance to blossom at Goodison, so I think he'll be a first team regular for a while!"

NUTS' MUST-SEE TV SHOWS OF 2011!

"The Inuit people of Greenland apparently have more than 400 different names for snow. Thanks to Bruce, they now also have one for 'British lunatic who can barely survive in a lip-chapping wilderness, yet somehow turn his personal hell into ace TV!'"

RIDE ALONG *Sky1, January 2011*

"Anyone who's watched *The Shield* will know it's one of the best US cop shows of recent times. This follow-up from its creator Shawn Ryan about the demented, butt-kicking antics of an elite anti-corruption squad in Chicago's badlands may well top it!"

BORED TO DEATH *Sky Atlantic, April 2011*

"If you like your detectives to have mad fighting skills and cool one-liners, this isn't for you. But if, like us, you prefer them to be pot-smoking buffoons who can't find their own car, this comedy about a writer-turned-illegal-sleuth will keep you chuckling!"

OUTCASTS *BBC1, February 2011*

"What do you need to build a human colony on a hostile, distant planet? Booze, a footy and at least one total babe, that's what! Well, the castaways in this BBC sci-fi epic can tick one thing off the list: step forward, South African beauty Jeanne Kietzmann!"

BOARDWALK EMPIRE *Sky Atlantic, February 2011*

DANICA

Hi Danica! This is your first big shoot for *Nuts*. Have you enjoyed it? I've loved it! I just hope the *Nuts* readers welcome me because it's been an absolute pleasure.
How are you going to make 2011 the hottest year ever? There's going to be a lot more teasing, a bit more covering up and lots more being cute. It's more beautiful that way.
Who would you like to see more of in 2011? Katie Price is lovely – I'd really like to see more of her. Marisa Miller, the Victoria's Secret girl, is absolutely beautiful, too!
Justin Bieber and Chris Moyles both had big years in 2010. If you had to snog one of them, who would it be? Ha-ha! All I can say is that neither is my type.
So, what *is* your type? Somebody who's tall, dark and makes me laugh, and who has great charisma and confidence without being arrogant. The strange thing is that all my boyfriends have been the total opposite, as I've been with skinheads and a lot of blonde guys. I guess I'm more into personality!
Which girl has stood out for you today? All the girls are really nice, but Jasmine has a really gorgeous face. I love Charlotte's auburn hair and tattoos as well. She has a really sexy look about her – I don't think her tattoos would suit me, though!
What's your favourite part of your own body? I quite like my boobs and my stomach. I think they go together nicely.
So do we! Finally, how can a man make a good first impression on you? The most crucial thing is confidence, as I like to know a man is more assertive than me. It's the men who keep me on my toes that keep me interested. But there's a fine line between that and arrogance. No girl likes arrogance! ➡

LACEY

Hi Lacey! How does it feel to be one of our babes to watch in 2011? It's amazing! It's massive fun and I'm really excited you've picked me. It's probably all down to my boobs!

Just how big are your boobs then? I'm only 5ft 2 and my boobs are a 26GG. They don't even make bras in my size!

How would you introduce yourself to *Nuts* readers? I'm just a typical girl who likes to shop and party. I'm a student as well, so I party a lot!

What are you like in the bedroom? I like role play and dressing up. I've actually just bought a see-through leotard that I'm going to wear tonight. We'll see what kind of reaction it gets!

Who's the hottest girl on the shoot today? Jasmine is stunning. I looked at her and just thought, "Wow!" Danica looks like a Barbie, too, and I love that. Lauren's bum is amazing – that's one hot rear!

Finally, what's your message for the *Nuts* readers? If you see me out, buy me a drink. I'm a brandy and Coke girl! ➡

ALICE

Hi Alice, welcome to *Nuts*! It's great to be here! I've done one shoot before, but this is far more fun!

All the other girls reckon you're "the wild one". Any reason for that? I don't know. I suppose I am quite wild compared to the other girls as they're quite angelic looking, aren't they? So by default, that makes me wild!

What's the wildest thing you've ever done? This is disgusting, but I went to a gig the other week and drank so many Jägerbombs I was violently ill and had to wash my hair in the toilets!

Crikey! So is that an average night out for you? Drinking excessively at gigs is, but not washing my hair in the toilets! Then again, I'm normally in bed by 10.30pm! The band were called We Are The Ocean. Not that I remember much about them!

You're pretty hardcore. How would you describe yourself? I'm not really a girly girl, as I don't tend to get on with girls that much. In fact, I don't really have female friends because girls like bitching too much. I like to party hard!

So would you call yourself a tomboy? No! I'm still girly. I like to wear heels and dresses on nights out. I like to keep it classy these days, as I used to get hammered the minute I left the front door and that's not good. I actually have scars on my knees from falling over drunk!

So what kind of bloke do you go for? I like guys a bit rough – like rock guys with skinny jeans and tattoos.

Finally, what's the naughtiest text message you've ever sent? It's more of a picture message. All I can say is it wasn't my boobs, as I get them out all the time anyway! I'll say no more than that. ➡

ELLE

Hi Elle! There are lots of new girls today, how are you all getting on? Everyone's really lovely, and one thing I've noticed is that they've all got a different look. It's nice to have someone who's not the obvious glamour girl type, like Mellisa. She's got a great look and is really sweet as well.

Who's got the best boobs? Definitely Alice. She's got really lovely boobs and a fantastic figure. I want to do some shoots with her so I can get close to them!

Who would you like to see more of in 2011? I'd like to see more of Katy Perry as I love her boobs. I just saw that picture of her where she's dressed as a cat and now I want to be a cat, too!

Finally, if we could make one wish come true for you, what would it be? To be on the cover of *Nuts*! I like looking at all the girls but it's always really funny, and I love looking at the bit where people injure themselves.

JASMINE

Hi Jasmine, welcome to *Nuts*! What makes you stand out for 2011? Probably my mixed background. I've got black, white, Chinese, Indian, French… everything really. Plus a bit of English as well! I suppose I look a bit different.

You do! But in a good way. What else is interesting about you? I'm a professional dancer, so I'm very flexible!

Which of the girls on today's shoot do you think will have the biggest 2011? Charlotte's absolutely gorgeous. She's got a lovely smile and she's just really welcoming, too.

How could a bloke make a good first impression on you? Just by being himself, as I don't really care about looks. If something clicks then we'll go from there.

What can a guy do to impress you in the bedroom? Spank me! I love the pain and have got a really high pain threshold. Ha-ha! I bet you weren't expecting me to say that, were you?

Er, no! Finally, are you hoping to do more modelling for *Nuts*? I'd love to do it all the time. I hope the readers will want to see more of me! ➡

CHARLOTTE

Hi Charlotte! Introduce yourself to the *Nuts* readers. I like to cheer people up and make them laugh. Sometimes, I can be a bit controversial as I try to make jokes about things that are quite serious. So, sorry if I offend you!

If you're that funny, tell us a joke... Oh no! You can't put me on the spot like that. I'm not good at jokes! It has to be spontaneous, like in the middle of a conversation.

What do you think of the girls you've been shooting with today? They're all really amazing. I can't stop staring at Danica because she's so stunning. She might think I'm a stalker or something but I'm gobsmacked.

Us too! What is it about her that you like? She just has this overall beauty. As soon as she entered the room, I was just like, "Wow!"

Are you looking forward to 2011? Definitely! I was speechless when I found out I was doing this shoot for *Nuts*. I can't wait to do some more if you'll have me back!

Finally, what was the rudest thing you did in 2010? I did lots of rude things back in the summer when it was a little bit warmer. I went through a stage of having sex outdoors and was rude on the side of a hill and on my car bonnet!

"I CAN'T STOP STARING AT DANICA!"

MELLISA

Hi Mellisa, welcome to *Nuts*! Thanks! I've done some modelling before but nothing like this, it's really exciting. You've picked some really fit girls, too!

Yes, and you're one of them! What do you think makes you stand out? I don't look like a regular glamour girl. Obviously, the girls with big boobs are really sexy but I'm quite different, as I'm petite and a little bit edgy.

Are you intimidated being around all these bigger-boobed ladies? No, not at all! I'm happy to be around big boobs as it makes a change from my little ones! I like my boobs as I think they're a good size for me. They're a proper handful and anything more than that's a waste!

Which other models do you admire? I really like Vikki Blows. I think even without all the edgy stuff she's just really, really beautiful!

How does it feel to be picked out as one of the top babes of 2011? It's really nice. I'd love to do loads more work for *Nuts*. So, hopefully, the readers will get to see lots more of me in 2011.

Fingers crossed! Finally, who do you think is the naughtiest girl on the shoot? Definitely Alice. She's absolutely tiny but has amazing boobs and looks like she'd be a right handful in the bedroom! ■

Nuts SPORT

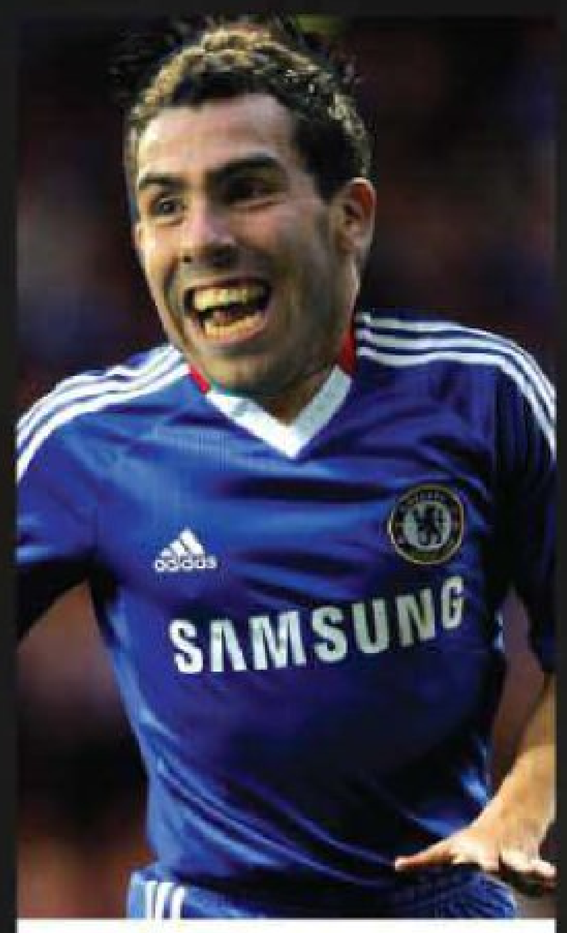

COUNTING THE PENNIES, EVERY WEEK

Who the top sides should sign!

Sky Sports legend Paul Merson tells the Prem's big guns how to spend their money!

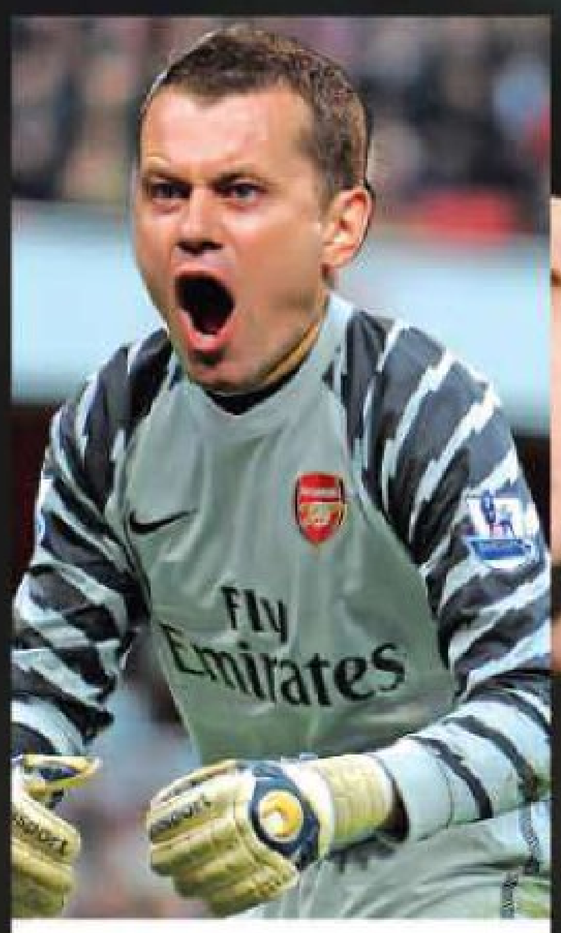

MERSON!

CHELSEA: *Carlos Tevez*

"He's had a lot of stick recently but I still think Tevez is one hell of a player. I'm not sure what's going on at Man City – whether he truly is homesick or just wants a better deal – but Chelsea could certainly do with him, especially with Nicolas Anelka playing so rubbish! He'd give the Blues some much-needed urgency up front!"

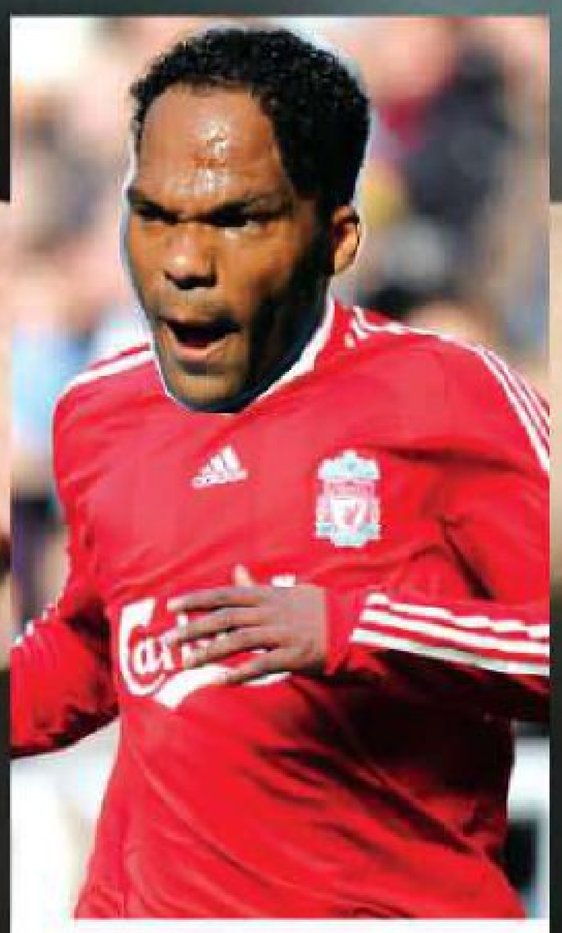

MERSE'S OTHER PICK: *Ashley Young*

ARSENAL: *Shay Given*

"Two words – Shay and Given. Wenger seems to have a blind spot when it comes to the goalkeeping position and it's time he realised he has to recruit someone with genuine quality and experience. Given's been one of the best keepers in Premier League history and wants to play. But would Man City sell him to a title rival?"

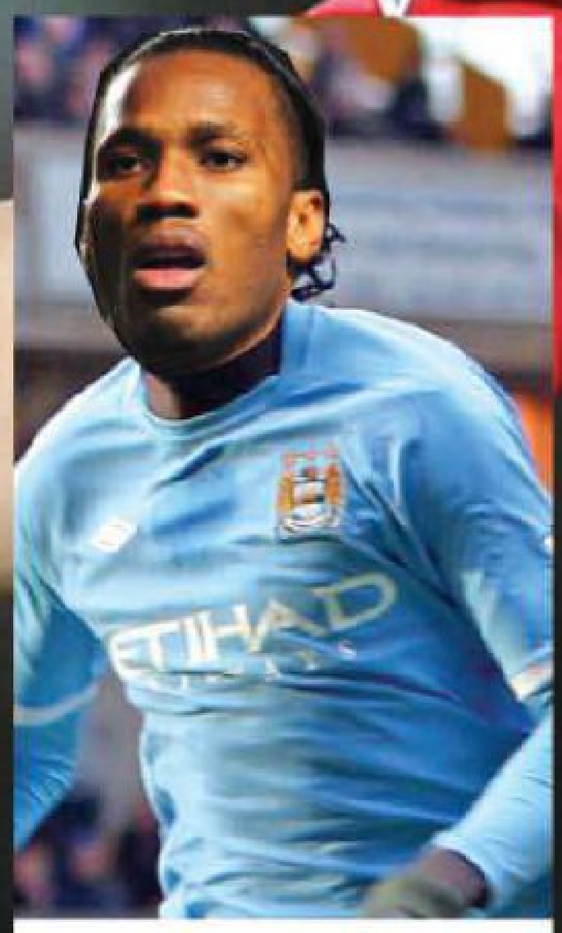

MERSE'S OTHER PICK: *Gary Cahill*

LIVERPOOL: *Joleon Lescott*

"The Reds are short in a few positions and so much depends on whether Torres rediscovers his confidence and hunger. Assuming he does, I'll go for a defender in Joleon Lescott. He's not getting a lot of football at Man City, but he's quality. And an added bonus is he can play in a variety of defensive positions."

MERSE'S OTHER PICK: *Bojan Krkic*

MAN CITY: *Didier Drogba*

"If City want to win the league this season and money's no option, why not go out and get the one man who can definitely deliver? He's 32, but Drogba still has the ability to terrify opposition defenders, and he knows how to win trophies.
I reckon he'd enjoy one last challenge in his career!"

MERSE'S OTHER PICK: *Nemanja Vidic*

MAN UNITED: ***Bastian Schweinsteiger***
"Although Anderson's done alright of late, I still think Fergie needs some reinforcements in midfield. I'd go for Schweinsteiger. He's signed a new contract with Bayern, but what does that mean these days? He can hold, pass and bomb forward, and he has a really good attitude. One for Fergie to think about."
MERSE'S OTHER PICK: ***Karim Benzema***

SPURS: ***Pepe Reina***
"I love Spurs, I really do. Their attitude of 'we'll always score more than the opposition' is great. But at the same time, they can't afford to give sloppy goals away and still challenge for the title. With that in mind, I think Harry should look for a new goalkeeper. If Shay Given isn't available, why not test Liverpool and Pepe Reina's resolve?"
MERSE'S OTHER PICK: ***Shay Given***

EVERTON: ***Jay Bothroyd***
"The first thing Everton need to buy is a lorry-load of luck! The number of games they should've won this season is frightening – they're just not putting chances away. We know they don't have tons of money and they'll be after a striker in a certain price bracket, so I'd have a punt on Cardiff's Jay Bothroyd – this lad's got real ability!"
MERSE'S OTHER PICK: ***Roque Santa Cruz***

ASTON VILLA: ***Robbie Keane***
"There's no doubting Robbie Keane's ability but I think he's lost a bit of pace, so he needs someone rapid alongside him. I can see Gabriel Agbonlahor being the perfect partner for him, latching on to his clever little balls in the hole. Villa are a young side, too, so Keane's experience would be a real asset."
MERSE'S OTHER PICK: ***Tomas Rosicky***

Merse's ones to avoid!

CRAIG BELLAMY – ***Cardiff/ Man City***

"Not for me. Decent, but he's not exactly tearing up the Championship, is he?"

JERMAINE PENNANT – ***Stoke/Real Zaragoza***

"Doesn't do it for me. You don't have all them clubs without some problem."

GEORGIOS SAMARAS – ***Celtic***

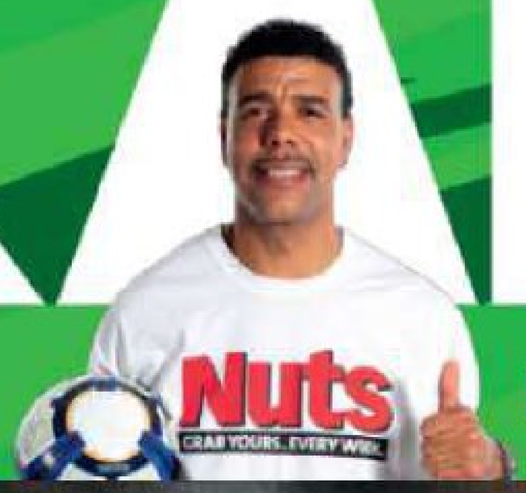

"Average striker in a poor league. He ain't gonna pull up trees in the Premier League."

KAMMY!

ONLY IN Nuts!

He's footy's funniest pundit – and he's only in *Nuts*!

"I can see the tag! How dare you wear Primark around me?"

Greedy players are ruining football!

I couldn't believe my ears when I heard Carlos Tevez had handed in a transfer request at Man City. After everything they'd done for him in terms of seeing his family, and the love the supporters had shown him from the first day, I thought it was shocking. If it really was a decision based on wanting to return to Argentina for personal reasons, then he should have had the decency to say that in the statement he (or his advisors) released, rather than whining about how he'd fallen out with "certain people".

"The gap between footballers and fans is growing!"

Sadly, I think in these times of recession, the gap between footballers and the general public has become wider and wider. We saw one example of it with the Wayne Rooney situation earlier this season, and now Tevez has shown that getting paid a quarter of a million pounds a week is no guarantee that you'll act in any kind of fair or respectful way.

Roberto Mancini has had to put up with some ridiculous behaviour from his players – he's trying to win the league for the club and make those same players into legends, yet some of them repay him by moaning, sulking and fighting on and off the pitch. Why Tevez couldn't give his all for just one season, when they're closer to winning the title than they've ever been, is beyond me. You can't question the commitment he gives on the pitch, but off it he leaves a lot to be desired.

People questioned Sir Alex when he let the player leave Old Trafford, but having seen what the little Argentine has done since, I doubt they are now!

Arshavin: 'It's time we won the Prem!'

Arsenal's Russian midfield genius speaks his mind to *Nuts*!

Hi Andrey! We shouldn't really be talking to you, seeing as Russia nicked the World Cup off us!
I can understand English fans' frustration because to host the World Cup is magical, a dream, a drama with a happy ending. For me, this is a very incredible event. For England, not so, and that is a shame. I understand why everyone is hurting.
OK, we forgive you. Now, about the Premier League – was Arsenal's defeat to United a killer blow? It wasn't good but it isn't the end of the project for us, either. Are United suddenly much better than us now?
I don't believe so. With more luck, we would have done better.
So what now? We continue working and being optimistic about this season. The title race is very exciting and many teams can win it this year. It won't be decided by a result in December. We can still be happy in May!
Is this the closest title race ever? I think for the fans it's very exciting because many teams can win the league. I think it'll be very close and go right up to the end of the season before victory is confirmed. Of course, I would prefer it if we were many points ahead of the rest!
Are you at home in the Premier League? Yes. For me, football is a beautiful thing and the club shares this philosophy. Now we must go on and win things.
How important is it that Cesc Fabregas stays with you? Everyone knows what I think about him. He's our little genius and we're fortunate to have him. As captain too, he's a big part of everything that Arsenal is.
You've been outspoken about Arsenal conceding goals. Any regrets on that? It's not for me to know how what I say will be portrayed. We defend and score as a team, not as individuals, so there's no blame.

"I came to Arsenal to win things"

We love you at *Nuts* because you speak your mind! I try to be honest – not to upset people or make them laugh. I'm a human so I express myself normally. If I believe something's a certain way, I'll say it. The problem in life comes when you're not direct and worry about the small things.
So you're not "worried" Arsenal have blown the title race? This isn't a small thing, but no! We can still win the Premier League but we must improve from now until the end of the season. I joined Arsenal not just to play beautiful football but to win things. It's time we did this!

LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

CONFESSION OF THE WEEK!

'We had fun with my boyfriend'

Last week, I went out with my boyfriend and his mates for a few pre-Christmas drinks. I popped out for a cigarette and bumped into a girl from his office. We were both tipsy so she decided to show me a tattoo on her breast and accidentally popped out her nipple! We grinned and spent the rest of the night dirty dancing together, much to the delight of my man. Then, when we went for another smoke, she asked if I wanted to see her boobs again. I nodded and before long we were snogging, then I sucked her nipples. It was a huge turn-on, so I invited her back to my flat to continue the fun with my boyfriend. After watching as we gave each other oral, he grabbed a sex toy from my drawer and used it on her. We then both took it in turns to ride my boyfriend through the night. It was the best early Christmas present ever!

Lucy, North Yorkshire

'I took him into the Jacuzzi'

My boyfriend and I decided to go to a swimming pool on a Sunday afternoon, but when we got into the water it was so cold that my nipples immediately stood to attention. Seeing them poking through my swimsuit, my boyfriend gave me a cheeky grin and used his hand to warm them up, which turned me on massively. I took his hand and led him to the Jacuzzi, where he started to massage my back and kiss my neck. Even though there were lots of people around, he started moving his hands lower down my body, so I moved to sit in front of him, wrapping my hands around his stiff member. I then turned to face him and wrapped my legs around his thighs before rubbing my hands up and down his body. He responded by wriggling his fingers over my clit. It was so sexy, but just as we were about to reach the crucial moment, an old lady got in, so we hurriedly got out and went to get changed. We got dressed in about three seconds flat and finished what we'd started once we got home!

Kim, by email

'I put my hands down his jeans'

A couple of weeks ago, my boyfriend invited me to his parents' house for the first time. The beach was only a short walk away, so on the last morning we went for a dawn stroll to spend some time alone on it. Sitting next to each other on the beach, I felt myself getting really horny, and as the excitement mounted I pushed up against him and put my hands down his jeans to release his erection. I couldn't contain myself and flung my legs around his waist so that I could ride him until we were both exhausted. It was amazing! But just as we finished, we heard a cough and a voice said, "Good morning!" One of his parents' neighbours had been sitting on some steps near us the whole time and had seen everything!

Kate, Salcombe

'I tugged his trousers down'

My best mate and I recently went to a hotel for a weekend of pampering. As we checked in, I noticed a gorgeous receptionist and gave him a cheeky wink as I walked to the lifts. Later that afternoon, I was feeling peckish and decided to order some room service. To my delight, the hunk from reception arrived carrying the tray, so I asked him to place it on my table and take a seat on the bed so he could see every inch of my curves. I could tell he was turned on, so I pulled him close and tugged his trousers and boxers down before taking him in my mouth. He returned the favour then pushed me down on the bed. We had the most mind-blowing quickie, then came together and fell into a sweaty heap. I ordered some food the next day, too!
